

FOSHAN NOVA STAR

佛山市挪瓦之星商贸有限公司

CHINA'S BRIDGE TO THE WORLD

A Bridge from China to the World

From the heart of Foshan – China's largest furniture industrial cluster – we build
the direct link between the best Chinese factories and global markets, with a
primary focus on Saudi Arabia and the Gulf region.

Our Story

Why Foshan?

Foshan is not just a furniture city – it's an **integrated industrial ecosystem**, bringing together furniture factories alongside ceramics, plumbing fixtures, and lighting manufacturers, all within a single geographic hub.

This concentration gives Nova Star a rare advantage: working with a single source, with precise coordination that makes us the direct link between Chinese factories and our clients across the Middle East and the Gulf, especially Saudi Arabia.
